DIARY  
Executive Officer, DD/I

Friday, 13 March 1953

1. O/CI informed me that NSA is issuing new badges on 1 April and that it will be necessary for each of us here to go to NSA to have new photographs made. I will set up such a trip.

2. Attended the professional selection panel meeting.

3. [redacted] requested that whenever specific requests made by us of [redacted] at State Department (such as memos of conversation) are answered directly to this office, that the documents be sent to O/CD for dissemination so that their records may be kept complete and so that additional dissemination can be made if warranted. I assured him that we would do this.

4. I learned that [redacted] is extremely interested in the "IAD-type" briefing scheduled for 7 April and took occasion to invite him. He accepted, and said that he felt this would be extremely beneficial to him.
